

An Inside Bath • Makes You Look and Feel Fresh

Says a glass of hot water with phosphate before breakfast keeps illness away.

This excellent, common-sense health measure being adopted by millions.

Physicians the world over recommend the inside bath, claiming this is of greatly more importance than outside cleanliness, because the skin pores do not absorb impurities into the blood, causing ill health, while the pores in the ten yards of bowels do.

Men and women are urged to drink each morning, before breakfast a glass of hot water with a teaspoonful of limestone phosphate in it, as a harmless means of helping to wash from the stomach, liver, kidneys and bowels the previous day's indigestible material, poisons, sour bile and toxicities cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach.

Just as soap and hot water cleanse and freshen the skin, so hot water and limestone phosphate act on the alimentary organs.

Those who wake up with bad breath, coated tongue, nasty taste or have a dull, aching head, sallow complexion, acid stomach; others who are subject to bilious attacks or constipation, should obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to demonstrate the value of inside bathing. Those who continue it each morning are assured of pronounced results, both in regard to health and appearance.

must travel for days without food or water.

No news was available here at a late hour tonight concerning the two bandit bands previously reported as being near Jajuntas and Terlingua. In some quarters credence was given to a rumor that it is these bands, and not Yaqui Indians, whose movements have given rise to the report that Major Langhorne's rear is menaced.

FUNSTON HAS NEARLY 50,000 IN COMMAND

San Antonio, May 21.—With the arrival on the American side of Colonel Shibley's little force that rescued Jessie Deem and Monroe Payne and drove the border raiders 145 miles into Mexico, General Funston's command of nearly 50,000 men tonight reached developments.

That portion of the army under General Pershing in Mexico has become as inactive as the remainder of the big border patrol force and so far as army officers know the period of comparative inaction will be unbroken unless the initiative is taken by Mexicans.

Colonel Shibley had not reported his troops on this side of the Rio Grande tonight, but his last reported position is so far north that his arrival was hourly expected.

The Texas militia mobilized here will be sent forward to border stations in a few days and today the Texas cavalry that has been in Chihuahua under General Pershing was moving into the Big Bend district, where additional companies of the coast artillery will be located if the war department grants General Funston's request for more.

Reports of contemplated raids along the border, especially in the Brownsville district, continue to reach General Funston but all official reports from border army stations were that the situation was unchanged.

A Proper Charge.
Santa Fe, May 21.—At the request of Miss Grace Gandy, Director of Education, and Superintendent of Luna county Attorney General Frank W. Chaney yesterday handed down an opinion that the expense of sending teachers to the annual meetings of the New Mexico Educational Association is a proper charge to be included in the estimate of yearly expenses by boards of education.

SUPPORT AND HIP REDUCER \$1.15
Mention Style No. 8—Not sold in stores.

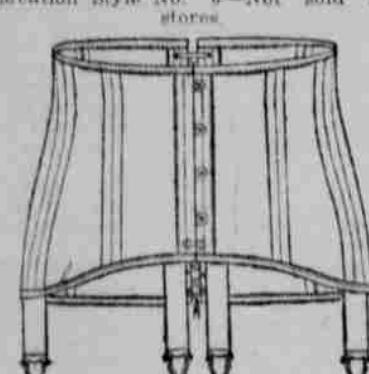

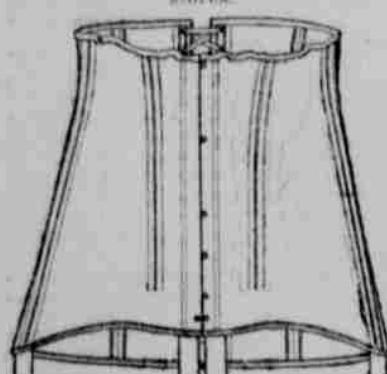

Illustration for new garments below.

Waist over 26, 25c extra. Sizes over 40, 50c extra.

Do not deduct for lacing.

HYGIENE CORSET FACTORY

24 West Twelfth Street, Cincinnati, O.

RECRUITING AT ROSWELL TO GET FRESH IMPETUS

Telegram From Commander of Battery A Asking for Thirty More Men Expected to Get Action.

SPECIAL CORRESPONDENCE TO MORNING JOURNAL

Roswell, N. M., May 21.—Recruiting activity began today in the recruiting stations maintained here for Battery A. A telegram was received this morning by Col. J. W. Wilson from Capt. Charles De Bremond, commanding Battery A, asking for thirty more men to fill the vacancies caused by the failure of the men to pass the physical examination. Captain De Bremond asked that every possible effort be put forth to obtain the additional men in order that the battery might be mustered into the regular service.

It is thought that the additional men will be ready to go to Columbus within a few days. Already nearly 200 men have left Roswell for service along the border, and it is thought by the men in charge that recruits will be obtained quickly to take the place of the men rejected who will return home with an honorable discharge.

The favorable reports received here on Capt. Charles De Bremond's battery as to the impression they are making at Columbus have kept the interest increasing and added to the pride in the organization. While most of the men who have already gone have been from Roswell it is said by the officers that many more recruits can be obtained from other places in the county, and from the country surrounding Roswell.

Work continued today in providing a pension fund for the families of Battery A men.

BIG CLOVIS FIRMS IN CONSOLIDATION; PLAN NEW ELEVATORS

SPECIAL CORRESPONDENCE TO MORNING JOURNAL

Clovis, N. M., May 21.—The Clovis Mill and Elevator company and the J. A. Latta Grocery company of this place have been consolidated under the firm name of the former. The combined capital of these firms will enable them to carry on business on a huge scale, making the firm one of the strongest in eastern New Mexico. They will erect another elevator soon and if this year's wheat crop justifies the undertaking they will erect a flour mill. They have also acquired the Melrose elevator, and will erect elevators at Portales and Elida. The handling of groceries, formerly done by the J. A. Latta Grocery company will be discontinued, except the staple items, such as sugar, flour, rice, etc.

Byline said that the evidence he had gathered indicated that Mrs. Dennis had lived here and in Sonooshim north of here, until August, 1915, according to information gathered by J. E. Bylling, chief of police of Sonooshim. Bylling said tonight he had not positively established the identity of the woman but he had strong reason to believe they were the missing Dennis sisters.
